Postmodern philosophy is a philosophical movement that arose in the second half of the 20th century as a critical response to assumptions allegedly present in modernist philosophical ideas regarding culture, identity, history, or language that were developed during the 18th-century Enlightenment. Postmodernist thinkers developed concepts like difference, repetition, trace, and hyperreality to ...

A nation is a stable community of people, formed on the basis of a common language, territory, history, ethnicity, or psychological make-up manifested in a common culture. A nation is distinct from a people, and is more abstract, and more overtly political, than an ethnic group. It is a cultural-political community that has become conscious of its autonomy, unity, and particular interests.
